Dear sir/madam,

I hope you enjoyed your visit to the Kings Theatre and I wondered if you might consider joining our 100 Club. The aim is to raise money to help provide essential extras for our Theatre which enables it to stay open.

If you are already a member of the Club, I will be writing to you personally very soon but for those of you who are thinking of joining, let me tell you that the money raised enables us to purchase items that we could not envisage buying otherwise. For instance, last year we contributed to the cost of new radio mics to improve the sound from our performers within our auditorium, this year we hope to contribute to a new lighting desk. These things would not be possible without the 100 Club and its success depends on you.

The cost is £12 per number per year and the money raised is divided into prize money given back to the members and a donation to the Theatre. Your number(s) are entered into a monthly draw commencing on the 1st April and the numbers are valid and run for 1 year, i.e. they expire on March 31st.

On receipt of your application to join, I will notify you of your allocated number(s) before the beginning of April. I hope that you will give consideration to joining our Club and that I will be able to send you a winner's cheque next year.

Yours sincerely

Anita Lang
100 Club Administrator
